Upside Down.

People who were lonnging about the postoffice Sunday afternoon waiting for the afternoon mail enjoyed a hearty laugh at the expense of a big, fat negro woman, whose buggy was unceremoni-ously turned upside down by a wily roadster, throwing the ebony-hued damse to the ground in a most undignified manner, but inflicting not the slightest wound. The fifth wheel of the buggy was locked and when the woman gave the horse a quick jerk to turn him around the buggy keeled over and the driver uzted in the highest positions within took a header. Bystanders soon set the buggy to rights, and the woman went on her way rejoicing, for the truth of the matter is, she had been including too freely in spirits fermenti,

Saving 25 Cents.

It is a fact which all leading physicians admit, that nine times out of ten a patient will recover without the assistance of a doctor. With the advance of general knowledge people understand better what to do for themselves. Medicines in themselves can not cure; Nature alone can cure; but medicines help Nature. Take an iliustration. Let us say you have sick headaches occasionally, with dizziness, sour stomach and loss of appetite. You do not need to go to a doctor, for every one will tell you it s biliousness, and that what you need is a liver pill to clean out the bowels and arouse the torpid liver to action.

In this case you can buy many different kinds of liver pills, but the best course is to secure the liver pills and also some TONIC PELLETS for purifying the blood and toning up the system, so that you will not be troubled again.

You can get both of these medicines, in separate boxes, for one price (25 cents) if you ask your druggist for Ramon's Tonic Liver Pills and Pellets. Together they cure biliousness and constipation. At all dealers, or mail, for 25c.,5 boxes \$1.00.
